# KALU CHUKWUEMEKA OBINNA

## SUMMARY:

I'm a Frontend Software Engineer with about 4 years' experience building web applications that are reliable, responsive and scalable, and user-friendly. I'm fluent in JavaScript, Typescript, React, and Next.js on the frontend, and I'm equally comfortable working with Node.js, Express, Mongo DB and PostgreSQL. I am seeking a company where I can implement and enhance my skills to develop better products for individuals and organizations.

## EDUCATION:

**Coursework:** Data Structures, Algorithms, Computer Systems, Web Development, SEO

**Yaba College Of Technology | Epe Lagos BACHELOR OF SCIENCE COMPUTER EDUCATION | 07-2022 – 07-2025**

- Excellent in user experience and user interfaces
- Followed my passion in a core of education and computer science
- Currently completing courses in computer science, robotics, and statistics
